So that you are prepared for the school year, here is a list of materials we would like students to have for our team this year.

- (1) 2” 3-ring binder (will hold folders for all team courses)
- 5 two pocket folders that are 3 hole punched (one for each team subject and can be stored in the 3-ring binder)
- 1 spiral-bound notebooks for math class
- Graphing paper for math class – can be in a spiral bound notebook
- TI-30 Calculator
- Pencils (regular #2), erasers
- Pencil pouch
- Earbuds (compatible with Chromebooks, inexpensive corded ones are fine; maybe get a backup pair)
- A set of colored pencils (not required, but helpful for students to have their own)
- Highlighters (not required, but helpful for students to have their own)

Assignment book (agenda) - The PTO will supply an assignment book to each student on the first day of school. This book should come home every night so that parents can check assignments.

*If you need assistance with any of the items listed above, please contact Mrs. Urban (school counselor) or Mrs. Gay (team leader).

Sixth grade is a wonderfully challenging and fun year! We look forward to meeting our students and parents at the Mountain View New Student Orientation on August 24th.

Enjoy the remainder of your summer!
